“ We don't invent problems, we take care of your car needs. ”

At Ace Risk Services we pride ourselves on the standard of work carried out by our fully qualified personnel. With enough experience we know too well the pitfalls of the automotive industry.

For us, honesty is the most important part of the job, because it helps us build trust with our customers. It's this attitude, combined with a deep love for cars, which ensures every car is treated as royalty at Ace Risk Services

Our Service Promise to you.

We will...

- Treat you fairly and courteously
- Respond promptly to any enquiry
- Give you a full inclusive price for serving
- Consult with you about any additional work that is required
- Keep you informed on the progress of any work
- Wash and vacuum your vehicle
- Make sure your vehicle is ready when we promise
- Fully explain your invoice
- Guarantee the quality of the work we perform

To ensure we have delivered on our promise, we will call you within 48 hours to make sure you are **completely satisfied.**

Sign up to a membership plan with us and enjoy benefits including
